

Northeastern  
University

## Community impact at a glance

From a revitalized Carter Playground to the Interdisciplinary Science and Engineering Complex and sky bridge, Northeastern has invested more than \$500 million since 2006 to invigorate and **transform** the Columbus Avenue Corridor.

Northeastern provides \$13.5 million in **full-tuition scholarships** annually to Boston Public Schools students and other city residents.

Last year, Northeastern students contributed the equivalent of \$8 million in service hours to community nonprofit organizations through **280,000 volunteer service hours.**

Underrepresented Boston businesses were awarded \$65 million in university supplier contracts last year. Of that total, \$37.8 million went to **women- and minority-owned firms** and \$27 million was spent exclusively with **small businesses.**

In addition to hosting college fairs and summer STEM programs, Northeastern invests \$2.8 million annually in **Foundation Year and the Youth Development Initiative Program** to benefit Boston Public Schools students.
